Extra Cover for USA

This Axa Assistance policy includes CHF2,200.00 coverage for things that the rental companies do not insure with their "Loss Damage Waiver" insurance: towing, tyres, windscreens, key loss, lock out, relocation of damaged vehicle, "loss of use" & more. Extra drivers free, CHF0.00 claim fee.

Benefits:

This policy from Axa Assistance includes CHF2,200.00 coverage and can be applied to rental cars from any rental company. It includes free roadside assistance and provides coverage for damages, costs & other fees that are not insured in the LDW policies from your rental company. You can cancel up to the time of pickup.

The policy is specifically designed for visitors to United States whose car booking includes a "CDW" or "LDW" policy. While your rental company's LDW has zero "deductible" (i.e. you don't have to pay a deductible if there's an accident), drivers still face substantial costs for items that fall outside of the scope of the LDW. This policy provides coverage for those items for up to CHF2,200.00, namely:

- Any damages that are not insured by your rental company.
- Free roadside assistance from the #1 rated service provider in United States.
- Roadside repair costs including call out fees.
- Towing.
- Storage impound fees.
- Windscreen, tyre, headlight & mirror replacement/repair.
- Key loss & replacement keys.
- Lock out of your vehicle.
- Loss of hired items such as GPS.

- Refund of unused rental days if your trip is abandoned due to a medical emergency involving the families of yourself or any other drivers.
- Loss of use fees that are charged by rental companies to recoup lost sales while their vehicle is being repaired.
- "Dropoff" fees that are charged by the rental companies to relocate vehicles to their intended destination.
- Administration costs that are charged by rental companies for processing repairs, insurance, etc.
- Credit card fees that are applied to all of the above.

Additional Drivers

Additional drivers who are on the rental agreement with you are covered free of charge. Those other drivers are also extended the benefit of the reimbursement of unused rental days resulting from a family medical emergency.

Claim Fee

The claim fee on this policy is CHF0.00.

The following are not insured by this policy.

- Off-road 4x4s that are driven off-road, campervans, motorhomes, minibus or van with 13 seats or more.
- Driving on unsealed roads.
- Damages that resulted from a breach of the rental agreement or that contravened local laws.
