International insurance confirmation

We hereby confirm that Jacqueline Kale-Widmer
Im Rigiblick 29, 8623 Wetzikon ZH
Insurance number: 2331172, Date of birth: 21.02.1967

is insured with SWICA Healthcare Organization and its insurance partners.

The FAVORIT TELMED mandatory basic insurance covers our client for emergency treatment (outpatient and inpatient) throughout the world. This provision is based on the Federal Health Insurance Act (KVG):

COMPLETA TOP supplementary insurance covers also the following additional costs:

- Full cover for outpatient and inpatient treatment
- Rescue and transport CHF 50,000 per year
- Full cover for repatriation costs

Full costs for outpatient and inpatient treatment as a private patient and for medically indicated transport and repatriation costs are covered out of the INFORTUNA supplementary insurance plan in the case of treatment for the consequences of an accident and full cover for repatriation costs (incl. Repatriation of mortal remains).

All benefit payments are subject to the provisions in the General Insurance Conditions. We kindly ask that the administrator in charge provide us with a detailed invoice and a summarised medical report. If the illness/accident necessitates a hospital stay, please contact the following address in Switzerland as soon as possible. The office will arrange for assistance as needed:
